CARTE POSTALE. POSTKARTE.

The Parish Church of St. Mary dates from the early part of the 13th century, but the building was restored and almost reconstructed in 1886. The interior is very fine, containing several interesting monuments, a beautiful Lady Chapel (restored 1897), a Norman font in excellent preservation, and various remnants of 14th century work. The crypt below the Lady Chapel is supposed to date from Saxon times.
